

**CLEAN SET OF AMENDED CLAIMS**  
**SERIAL NO. 09/865,229**

---

- 
1. Method for packaging an automobile part for shipment, which comprises the steps of:
    - (a) providing a paperboard having a front and a back;
    - (b) placing an automobile part on the front of said paperboard leaving exposed areas of said front of said paperboard; and
    - (c) shrink-wrapping with plastic shrink wrap material said automobile part to said paperboard and said exposed areas of said front of said paperboard.
  2. The method of claim 1, wherein said paperboard comprises laminated plies of paperboard.
  3. The method of claim 1, wherein said automobile part is composed of material selected from the group consisting of metal, composite, glass or combinations thereof.
  4. The method of claim 3, wherein said automobile part is selected from the group consisting of window glass, door panel, hood, fender or combinations thereof.
  5. The method of claim 1, wherein said shrink-wrapped automobile part of step (c) is placed in a container.
